- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.

The Homeless Management Information System of the Kanawha Valley Collective (KVC) is a part of a statewide approach to HMIS. All 4 Continuums of Care (CoC's) in West Virginia have elected to partner in the provision of one statewide implementation. The KVC utilizes this project to purchase the licensing for the software and the provision of a HMIS Administrator who oversees the KVC portion of the HMIS implementation. The statewide implementation utilizes Bowman System's ServicePoint.

Kanawha Valley Collective
Centralized Assessment Team (CAT)
The project will provide a single point of access and appropriate assessment for individuals seeking homeless services, while maintaining a standardized process. The Kanawha Valley Collective (KVC) Continuum of Care (CoC) through the CAT team will operate the centralized assessment system in conformance with 24 CFR 578, Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Continuum of Care Program Interim Final Rule published in Volume 77 No. 147 of the Federal Register on July 31, 2012. The centralized assessment system will support the purpose of the CoC programs which are designed to reduce, prevent, and end homelessness within the CoC.

YWCA of Charleston
Shanklin Center
The YWCA Shanklin Center for Senior Enrichment Consolidated Project consists of 11 handicapped accessible apartments that serve as permanent housing for homeless and abused, disabled women who are sixty years of age or older. Three of the units are dedicated to chronically homeless women. Each unit is fully furnished, has a front porch, and shares a common courtyard, which provides residents the opportunity to be a part of a community of peers, while offering the privacy of an individual home. Our overall goal is to optimize independence within the supportive setting, allowing participants to attain greater self-determination; ultimately resulting in them maintaining permanent housing.

Charleston Kanawha Housing Authority
Continuum of Care Housing
Charleston-Kanawha Housing Authority in conjunction with Prestera and the Kanawha Valley Collective will be applying for the renewal of 26 S + C units.

These units will focus on chronically homeless and disabled individuals. These permanent housing units will be 24 one-bedroom units and 2 two-bedroom units which meet NSPIRE-V inspection protocol.

Branches

Branches RRH project will assist five families per year that are fleeing domestic violence. The RRH program consists of four integrated components: housing identification, housing-focused case management, supportive services, & financial assistance.

Kanawha Valley Collective
Toast
This project provides supportive services necessary to help eligible individuals and families that are experiencing homelessness obtain housing and increase self-sufficiency. Participants enrolled project may stay enrolled and continue to receive supportive services from the SSO project for up to 6 months after they are housed in permanent housing.

YWCA of Charleston
Resolve RRH
YWCA Charleston will transition its existing survivor-specific Rapid Re-Housing project to a scattered-site Transitional Housing project using a master-leasing model. The transition will be implemented in phases to prevent disruption to currently enrolled households and ensure that all new housing activities comply with Transitional Housing requirements.

Religious Coalition for Community Renewal
Shepherd's Way
Shepherd's Way will provide recovery-oriented, scattered-site Transitional Housing for individuals and families experiencing homelessness in the Huntington Area Continuum of Care. The project will lease ten units and serve approximately 20 to 25 individuals annually. Participants may remain in the program for the period necessary to achieve permanent housing, not to exceed 24 months. The project will serve households referred through Coordinated Entry and verified as eligible under applicable CoC requirements. RCCR will match participants to units based on household composition, accessibility, safety, recovery needs, location, transportation, and proximity to employment and services.

Union Mission Ministries
Union Mission Men's Transitional Housing Project
The Union Mission Ministries Men's Shelter project is a comprehensive, case

management–driven transitional shelter and stabilization program designed to address the full continuum of needs for adult men experiencing homelessness. Its goal is to promote self-sufficiency, enabling participants to secure permanent housing or enter addiction recovery treatment. This grant will support full integration of HMIS, CES referrals, and participation in the Kanawha Valley CoC CES process.
The project provides immediate access to safe shelter, meals, hygiene resources, and a structured environment that reduces exposure to crisis conditions such as street homelessness, ER utilization, and incarceration.

Covenant House
Bridgepoint
The project will implement a structured transition from the existing Housing First model to a Transitional Housing model designed to promote housing stability, personal responsibility, increased self-sufficiency, and successful movement to permanent housing. The transition will occur over the full one-year grant period and will include program redesign, staff training, participant engagement, development of individualized housing and service plans, and strengthened partnerships with behavioral health, employment, recovery, mainstream benefits, and permanent housing providers.
