To Whom It May Concern:

The Kanawha Valley Collective (KVC) Continuum of Care (CoC) has been notified that funding is available through HUD for the FY 2017 CoC Program Competition. The amount of funding available is \$1,183,759 which is the minimum required to renew existing projects or to establish new projects through current funding reallocation. In addition, there are bonus funds of \$83,501 available which may go towards a new project which focuses on permanent housing. Funds from project reallocation may also be available.

The KVCCOC is seeking Letters of Intent for this funding by August 4, 2017 - 3 pm and PROJECT APPLICATIONS for ALL PROJECTS must be submitted by August 28, 2017 at 3 pm.

Funds available for this award have been allocated to a variety of projects, and those projects currently receiving funds are required to request renewals through this process.

The KVCCOC places priority on permanent housing projects for chronic homeless and families, which is in line with HUD's national focus.

Renewal projects can include:

- Permanent Housing (including rapid re-housing and permanent supportive housing)
- Transitional Housing
- Supportive Services Only
- Homeless Management Information System (HMIS)
- New in the FY 2017 CoC Program Competition, **HUD will allow project applicants to apply for a new expansion project** under the reallocation process or permanent housing bonus in order to expand existing eligible renewal projects that will increase the number of units in the project, or allow the recipient to serve additional persons.

Reallocation Projects (funding removed from current projects to fund one of the following) or **Permanent Housing Bonus Projects** can include the following:

- CoCs may create new permanent supportive housing projects that meet the requirements of DedicatedPLUS or new permanent supportive housing projects where 100 percent of the beds are dedicated to chronic homelessness.  - (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
 - (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
 - (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
